Tree Plantation Drive at PAE, Dahod Campus

“MY EARTH – MY DUTY”

On 19th July, 2019, our college successfully completed the event of “Tree Plantation” programme **“MY EARTH – MY DUTY”** under the National Service Scheme (NSS) Unit at college campus. Trees are the foremost source for producing the oxygen in environment, they help to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today. Er. Farid Sayyad, NSS Programme Officer orients the NSS volunteers by notifying the importance of NSS for them as well as society. He also said that the dedication is must to accomplish the goals and dreams in life. Dr. M.M. Trivedi, Principal, Polytechnic in Agricultural Engineering, AAU, Dahod address the NSS volunteers, staffs and students passed a message of kindness & being helpful to the needy people and advised the volunteers to think differently for the society, to make positive changes and to make improvement. After the inspirational words of NSS Programme Officer and Principal, we all move towards the place where tree plantation took place.

A very first tree planted by Dr. M.M. Trivedi, Principal Sir in college premises. Total tree planted by staff, NSS volunteers, and students was more than 70 on the day. All were happy and experience proud after the tree plantation event was finished, because it really feels great to do positive for the nature.

TREE PLANTATION BY NSS VOLUNTEERS

“Trees are my guru. They continue to give unconditionally even when you pelt them with stones to take their fruit, and even if you cut them down. Trees give life. Let’s reciprocate that. Plant more trees.”— APJ Abdul Kalam.
