

Career Guidance Seminar on “GPSC & SAUs AO Recruitment Preparation” Organized at AAU, Vaso

With the objective of guiding aspiring students towards prestigious government careers, the College of Agriculture and Polytechnic in Agriculture, Anand Agricultural University (AAU), Vaso, organized a Career Guidance Seminar under Placement cell on “GPSC & SAUs Agricultural Officer (AO) Recruitment preparation ” on Wednesday, 11th February, 2026 at 4:00 PM.

The seminar delivered by the resource person Mr. Dhruval Nakum, M.Sc. (Agri.), a distinguished alumnus of the College of Agriculture, Vaso, who is presently serving as Agricultural Officer at SDAU, Bhachau. Drawing from his own experience and success journey, he provided in-depth guidance on the GPSC and State Agricultural Universities (SAUs) AO recruitment process.

Mr. Dhruval Nakum elaborated on the examination pattern, detailed syllabus, strategic preparation methods, time management techniques, and interview preparation. He also highlighted the level of competition and shared practical tips to enhance conceptual clarity and answer-writing skills, encouraging students to adopt a focused and disciplined approach towards preparation.

Students from the both, College of Agriculture and Polytechnic in Agriculture enthusiastically participated in the seminar. The session concluded with an engaging interaction, where Mr. Nakum addressed students’ queries and cleared their doubts. He further supported the aspirants by sharing useful study materials and relevant preparation links. He also guided for Gram sevak recruitment exam and JRF exam also during his discussion.

The seminar proved to be highly insightful and motivational, inspiring students to confidently pursue careers as Agricultural Officer in Government departments and State Agricultural Universities.
