

“CAMPUS CLEANLINESS DRIVE” AT COLLEGE OF AGRICULTURE & POLYTECHNIC IN AGRICULTURE, VASO

A Campus Cleanliness Drive was successfully organized on **31st January, 2026** at the **College of Agriculture and Polytechnic in Agriculture, Anand Agricultural University, Vaso**, with the objective of promoting cleanliness, hygiene and environmental awareness among students and staff.

The programme commenced at **9:30 a.m.** in front of the Polytechnic building, where all the **students, teaching faculty and non-teaching staff** assembled. The drive was conducted as a collective effort to reinforce the importance of maintaining a clean and healthy campus environment.

During the drive, participants actively engaged in cleaning office premises, gardens, roadsides and other common areas within the campus. Litter was collected and segregated and proper disposal methods were followed. Special emphasis was laid on avoiding plastic waste and encouraging responsible waste management practices.

Faculty members guided students throughout the activity and highlighted the role of cleanliness in ensuring a healthy academic atmosphere and sustainable environment. The drive also aimed to instill a sense of discipline, responsibility and community service among the students. The cleanliness drive witnessed enthusiastic participation and cooperation from all stakeholders, making the programme highly effective and impactful.
