Report of SRC Activities during 2022-23

1. **Tree Plantation Campaign** was held at International Agribusiness Management Institute. Trees are important for us to live in. Tree plantation alludes to planting at a spot. Tree plantation has many advantages on the earth and our wellbeing. We as a whole inhale oxygen to live, and trees are the main characteristic source of oxygen. The supply of oxygen never ends by trees in this world. Planting trees is the ideal approach to support nature. It gives numerous benefits, which range from creating a beautiful environment to preventing global warming. When trees are planted, on its own, the biodiversity of that zone is improved. For the commemoration of their batch, the MBA (ABM) students who graduated in 2021-22 planted trees on the campus of International Agribusiness Management Institute, AAU, Anand on **24th June, 2022**. Students of IABMI, faculty members as well as staff members from NAHEP-CAAST has participated in this campaign of tree planting. Dr. Ashish Mahera, chairman of the SRC, formulated and circulated the entire programme under the guidance of Dr. R. S. Pundir, Principal and Dean of the IABMI at AAU, Anand.

2. International Agribusiness Management Institute (IABMI), AAU, Anand students celebrated **“Teacher’s Day”** on **5th September 2022**.
