### Orientation Programme for New Admitted Students

International Agribusiness Management Institute organized Orientation Programme for newly admitted students on 12<sup>th</sup> & 13<sup>th</sup> October, 2022. Students were given warm welcome by the faculty members. Dr. R. S. Pundir, Principal and Dean of the Institute congratulated and addressed the students regarding course curriculum and future opportunities in the course. During this orientation programme all the faculties interacted with the students individually and gave overall outlook of the programme and departments of the colleges. Faculty members gave highlight about the courses they teach and portfolio they handle for smooth functioning of the college. Students learned a lot in those academic practices.

**Students of IABMI visited WALMI, Anand on the**  
**occasion of World Water Day**

The world's existence depends on water. Water is essential to every aspect of human survival and wellbeing, as well as the economic growth and success of every country, from health and nutrition to education and infrastructure. World Water day is celebrated on 22nd March every year to spread awareness about the water crisis all over the world. So, on the occasion of World Water Day, students of IABMI, AAU, Anand on 23rd March, 2023, visited Water and Land Management Institute (WALMI), Anand. Mr. Kalpesh Bhai Dafda, Additional Assistant Engineer, WALMI, welcomed all the visitors, Mr. A. P. Ravat, Deputy Executive Engineer, WALMI, has given the presentation about WALMI and explained about different activities carried out by this institute in the areas of water management and land development then after Mr. J.G. Vaja, I/c Executive Engineer, WALMI given the presentation on the topic of Water scenario, sir has explained the different points like...Distribution of world water & its uses in the different sectors, efforts of Gujarat Government for the water management, water foot print, activities of water Departments, Sujalam suflam project, SAUNI yojana, participatory irrigation management etc., Furthermore, students visited Farms of WALMI, their Mr. Y. M. Patel, Farm Manager explained about different activities carried out at farm. Students also visited Gujarat Soil Museum at WALMI and came to know about the different types of soil exists in different regions of Gujarat State. Overall from this visit students got good exposure. This educational visit of the student was co-ordinated by Dr. Mahesh R. Prajapati and Dr. Dilip R. Vahoniy under the guidance of Dr. Y. M. Shukla I/c Principal and Dean, IABMI, AAU, Anand.
