

Students Representative Council

All the constituent colleges of the University have the Students Representative Council (SRC) formed as per University rules by the Principal/Dean of the respective colleges by selecting the sincere and leading students. The Council is formed with a view to representing students' problems through their representatives. The SRC organizes and monitors various extracurricular activities of students like planning forum, sports, debate and elocution, preparation of college magazine, cultural programmes, NSS, NCC etc. in collaboration with Directorate of Students' Welfare.

Apart from this, Alumni Associations in all the eight colleges have been formed. One day seminars are organized for strengthening the professional alliance and creating the spirit of oneness amongst alumni.
