

Celebration of Bharatiya Bhasha Diwas at Polytechnic in Agricultural Engineering, AAU, Dahod

The Polytechnic in Agricultural Engineering, Anand Agricultural University, Dahod, organized a grand celebration of **Bharatiya Bhasha Diwas** on 11th December 2024. The event was held with the blessings of **Dr. H.L. Kacha**, Principal of the Polytechnic, and was meticulously framed and coordinated by **Dr. F.G. Sayyad**, NSS Programme Officer & SRC Chairman with the active support of **Er. M.S. Khardiwar**, **Er. J.B. Bhimani**, and **Mr. H.R. Parmar**.

The program highlighted the importance of Indian languages in fostering unity and cultural pride. A significant highlight of the event was the **demonstration of Adivasi culture by students**, who showcased the rich traditions of the Dahod region. Dressed in **traditional Adivasi attire**, students performed **folk songs**, offering a vibrant portrayal of the local cultural heritage. Their performances enthralled the audience and emphasized the deep connection between language and cultural identity.

The event also included various activities such as **essay writing competitions, speeches, cultural performances, and discussions** focused on the theme of promoting and preserving the linguistic diversity of India. **Dr. F.G. Sayyad**, the program coordinator, addressed the gathering, emphasizing the importance of preserving India's multilingual traditions and encouraging students to take pride in their linguistic roots.

Faculty members **Er. M.S. Khardiwar**, **Er. J.B. Bhimani**, and **Mr. H.R. Parmar** also shared their insights, inspiring students to appreciate their native languages and contribute to their preservation.

The celebration concluded with a vote of thanks and a collective pledge to uphold and promote the linguistic and cultural heritage of India. The event successfully instilled a sense of pride and responsibility among the students to celebrate and preserve the rich diversity of Bharatiya Bhasha and culture.
