ANAND AGRICULTURAL UNIVERSITY
UNIVERSITY BHAVAN, ANAND-388 110 (Gujarat)

:: CIRCULAR ::

This Directorate has received an e-mail from, Dr. R. K. Yadav, Director, ICAR-Central Soil Salinity Research Institute, Karnal, Haryana regarding “ICAR-CSSRI Excellence Award on Soil Salinity” for the year 2024. For the application form, guidelines and evaluation criteria for the award are available on the official CSSRI website: www.cssri.res.in. Interested teachers, scientists, are informed to take note of the circular and do needful action.

F.No. A-16/Award/PME/2024
Dated: 30.01.2025

Sub: Invitation of applications for 'ICAR-CSSRI Excellence Award on Soil Salinity' for the year 2024-reg.

Dear Colleagues,

We are pleased to inform you that the ICAR-Central Soil Salinity Research Institute (CSSRI), Karnal, has instituted the "ICAR-CSSRI Excellence Award on Soil Salinity" to recognize active agricultural scientists who have made significant contributions in the field of soil salinity and poor-quality water management.

The award for the year 2024 is now open to Indian scientists, teachers, and extension educationists who are below the age of 62 years as on December 31, 2024. The application form, guidelines, and evaluation criteria for the award are available on the official CSSRI website: www.cssri.res.in.

We kindly request you to circulate this information to all concerned and encourage eligible candidates to apply. The last date for the submission of applications is 21st April 2025. Late, incomplete, or incorrectly formatted applications will not be considered. The application form should be addressed to:

Dr. Raj Kumar
Senior Scientist and Officer-In-Charge (PME Cell)
ICAR-Central Soil Salinity Research Institute
Zarifa Farm, Kachhwa Road
Karnal-132001 (Haryana)
E-mail: oiCPMEcssri@gmail.com

Yours Sincerely

(R. K. Yadav)

GUIDELINES FOR THE ICAR-CSSRI EXCELLENCE AWARD

Name of the award:

The award is known as “**ICAR-CSSRI Excellence Award on Soil Salinity**”. The award would be managed by the Prioritization, Monitoring and Evaluation (PME) Cell of the ICAR-CSSRI, Karnal.

Nature of Award and Eligibility:

Eligibility Criteria: The award is intended for active agricultural scientists, teachers, or extension workers who have demonstrated sustained and meritorious contributions in the field of soil salinity and poor-quality water management. Eligibility requirements are as follows:

- The applicant must hold a Ph.D. degree in a relevant field and have made significant contributions to the development of science and technology in reclaiming and managing salt-affected ecosystems.
- The applicant must have served for at least **five (5) years or more** as of **31st December 2024** (for the award year 2024) in the position of Principal Scientist, Professor, or equivalent in an organization involved in research, teaching, or extension work related to soil salinity, poor-quality water management, or other associated areas.
- The applicant must not have attained the age of **62 years** as of **31st December 2024** (for the award year 2024).
- The work carried out throughout the applicant's career as a researcher, teacher, or extension scientist will be considered for the award.
- Individuals who have previously received this award are not eligible to apply again.

Number of Awards:

One individual will be selected annually for this award. However, if the Research Advisory Committee (RAC) determines that no entry meets the outstanding criteria (minimum of 70 marks), the award will not be conferred for that year. In such cases, the award will lapse and will not be carried forward to subsequent years.

Application Procedure:

Applications will be invited by the PME Cell in consultation with the Director and will remain open for approximately one month. The announcement will be made on the institute's website (www.cssri.res.in) and communicated via email or letters to various organizations, specifying the last date for submission. Applicants must submit the duly filled application form, detailing their original contributions as per the prescribed proforma. The proforma can be downloaded from the website or requested via email (oiopcmeccsri@gmail.com). Completed applications should be forwarded through the competent authority (e.g., Directors of Institutes, Vice-Chancellors, Directors of Research, or Deans of universities), certifying the authenticity of the statements made. Applications should be addressed to **Officer-In-Charge (PME Cell), ICAR-CSSRI, Zarifa Farm, Kachwa Road, Karnal, Haryana-132001.**

Administration of the Award:

The Director will constitute a committee of three (3) experts, with the OIC (PME Cell) as the Member Secretary, to scrutinize the applications for eligibility and assign marks based on the documents attached.

All applications, along with the comments and marks assigned by the scrutinizing committee, will be submitted to the Institute's Research Advisory Committee (RAC). The Chairman of the RAC will convene a meeting to review the applications and recommend a suitable candidate for the award.

The application for the award can be downloaded from the institute's website (<https://cssri.res.in/downloads/>) or requested via email from the OIC (PME Cell) at oiqpmeccsri@gmail.com.

Presentation of the Award:

The award winner will be formally notified by the PME Cell of ICAR-CSSRI, Karnal, well in advance. The award will be presented during the Institute's Foundation Day Ceremony. The award includes a Scroll of Honor and a cash prize of Rs. 15,000/- (Rupees fifteen thousand only). Travel and daily allowances will be provided as per ICAR-CSSRI rules.

ICAR-Central Soil Salinity Research Institute

Karnal, Haryana – 132001, India

Application Proforma for “ICAR-CSSRI Excellence Award”

1. Basic Details							
Name of the Applicant							
Date of Birth							
Age as on 31.12.2024 (attach proof of age)							
Gender (M/F)							
Designation							
Name of institute/university							
Complete address for correspondence							
Contact details				Mobile no.			
				Tel no.			
				E-mail address			
2. Educational qualification (Graduation onwards) (Please attach proof)							
<ul style="list-style-type: none">Maximum marks – 5 (Ph.D.: 2 marks; M.Sc.: First division (2 marks), Second division (1 mark); B.Sc. : First division (2 marks), others (1 mark).							
Degree	University	Year	Subject	Percentage Marks/GPA	Proof at page no.	Marks claimed	Marks allotted
Total Marks under 2							

3. Position held (in chronological order)

S. No.	Designation	Organization	Period (From-To)		Nature of work	Pay Scale
1.						
2.						
3.						
4.						

4. Provide a detailed explanation and justification for your suitability for this award (200 words).

5. Research publications (Maximum Marks – 40)

- Attach 30 best research publications (Minimum 15 from salinity related fields + Maximum 15 from other than relevant field)
- Use current year’s NAAS rating
- Please attach first page of the published article as proof for claiming marks
- First author / Corresponding author will get full marks, while Co-author will get 75% marks
- For journals with an impact factor but no NAAS rating, the NAAS rating will be calculated as 6 plus the impact factor.
- Detailed evaluation criteria given separately in S. No.2 of Guidelines for evaluation

S. No.	Research Paper (Author(s) name, year of publication, title, journal, volume no. and page no.)	First author/ Corresponding author/co-author	NAAS Journal ID	NAAS Rating (current year)	Proof at page no.	Marks claimed	Marks allotted
--------	---	--	-----------------	----------------------------	-------------------	---------------	----------------

A) Best research publication related to soil salinity and water quality (minimum fifteen)

- Keywords such as salinity, sodicity, alkalinity, waterlogging and salt should be either in the title or in the abstract
