

Orientation Programme for Newly admitted students organized at Vaso campus

An orientation program was held at College of Agriculture & Polytechnic in Agriculture, AAU, Vaso campus under the guidance of Principal & Unit Head of the college on 1st October, 2024. In this program, first-year admitted fresh students of U.G and Diploma programme were remained present and heartily welcomed. All respective teachers, rectors, SRC chairman, NSS officer and in-charge officers of Vaso campus were joined this program and delivered detailed information about academic rules and regulation, exam pattern and evaluation, hostel facilities, Student Representative Council (SRC) and National Service Scheme (NSS) activities, scholarships & fellowships benefits, library and campus facilities etc. among the new students to create awareness about year-round teaching-learning activities conducted at college. At the end of the program, Dr. B. C. Patel, Principal and Unit Head, greeted the new students admitted in the first year of under-graduate and diploma course and gave important remarks regarding the current academic programme & campus facilities available at college. The entire program was successfully managed by Dr. M .N. Jegoda, Assistant Professor & Academic In-charge, CoA & PiA, Vaso.
